Interests

Media Design

A particular interest in print, video and web design using modern web techniques and programming since about 8 years.

Diving

I have been diving (VDST) in different lakes and the sea for several years, supplemented by a weekly training. Apart from seeing the beautiful under water landscapes and animals it teaches me the importance of reliability (to a partner or teammate).

First Aid

To know what to do in critical situation and being able to help injured people, has been one of the reasons for me to become a Ambulance Officer (German: Rettungssanitäter)
